MULCH DISCLAIMER

The organic material available at this waste depot does not meet industry standards for a saleable mulch product and is therefore available at no cost.

The organic material may contain - plant seed, sharp and splintery objects, dusts and pathogens.

Material must be self loaded and for safety in handling this material it is recommended that the following precautions be taken –

- Adequate protective clothing be worn; overalls or long trousers and long sleeved shirt
- Boots and gloves be worn
- Eye protection, goggles or safety glasses be worn
- Dust mask or respirator be worn.

All material is taken at the customers own risk.

The section below must be filled out and signed before any material can be loaded.

(Tear Off)

I.....of.....

.....
have read and understand the above information regarding the taking of organic material from The Flinders Ranges Council and accept that I do so at my own risk.
